Commit your actions to the LORD,
and your plans will succeed.

PROVERBS 16:3

“Our goals can only be reached through a vehicle of a plan, in which we must fervently believe, and upon which we must vigorously act. There is no other route to success.” — Stephen A. Brennan

“I’m going to do better.” This is a declaration many of us make throughout our lives and often during the transition from one year to the next. “Doing better” is about more than having great ideas – it’s about execution and planning. Our 2019 Commitment Journey invites you to examine four areas – Serving, Learning, Sowing and Sharing – and detailing how you can do BETTER in each of these areas. What do I need to do more of? What do I need to do less of? What are the key steps which will help me achieve these goals? These are just some of the questions we’re asking you to answer as you establish your goals for next year. We believe your goals are achievable with the help of the Lord and a focused mind. In developing this plan four other words also shaped our thinking – Improving, Increasing, Impacting and Inspiring. Think about these words as you set your goals and join us on the i365 Journey. God wants us to Live Our Best Lives.

Remember to make your goals **SMART!**

S – Specific. A defined end point or target.

M – Measurable. Attach numbers and timelines to the goal.

A – Achievable. Ensure that it is within the realm of possibility.

R – Relevant. Is this goal in line with your overall vision?

T – Time Limited. The goal must be measurable over a period of time.
