The Exchange – A Life-Changing Encounter for Men

In-Person and Virtual. Limited In-Person Seating.

The dictionary defines EXCHANGE as the act of giving one thing and receiving another (especially of the same type or value) in return. The EMPOWERED man's life is a series of exchanges – giving love, service, advice, wisdom and receiving the same. This LIFE-CHANGING EVENT is designed to push men toward EXCHANGES THAT MATTER – Spiritually, Emotionally, and Mentally. Come to THE EXCHANGE to GIVE and RECEIVE.
