**John 10: 9-10 (NIV)**

*<sup>9</sup> "I am the gate; whoever enters through me will be saved. They will come in and go out and find pasture. <sup>10</sup>The thief comes only to steal and kill and destroy; I have come that they may have life and have it to the full.*

There is a trendy song called "Living my Best Life" in which, the best life is considered as winning at life, having love, fun, fortune, and fame. All of that is great, but things do not always go that smooth because life will throw you some curve balls and the responsibilities of daily living can get heavy. That's when you have to shift your focus from living the best life to living a blessed life with God.

Living a blessed life starts with centering your existence around God, so that you can receive His blessings of eternal life, deliverance, healing, restoration, and supernatural strength. John 10:10 states that "Jesus came so that you might have life and have it more abundantly." The Greek definition for abundant life is living a life with a surplus and super abundance with God. Christ offers abundance to those who give their lives to Him and follow Him. An abundant life with God is filled with learning, practicing, and maturing spiritually as well as failing, recovering, adjusting, enduring, and overcoming.

When you follow God's will, it opens the door for Him to bless your life with more love, hope, joy, peace, wealth, and spiritual power than you need or could have ever imagined. It's time for you to make the choice to live life with God, so that you won't be left trying to live your best life without the abundance of blessings that He has destined for your life. Seeking God, His glory and all of the riches that comes with living a blessed life is the best life!
