

You Are Not Alone!

Submitted by Minister Deirdre Taylor

Matthew 5:14 (NIV)

“You are the light of the world. A town built on a hill cannot be hidden”.

Through the pandemic, one thing became real to us.... the feeling of loneliness and isolation. It became real as it hits you like a bag of rocks coming out of nowhere. It's even worse if you live alone, suffered the loss of loved ones or unable to travel to be with family or friends.

You, by no fault of your own, found yourself needing to create new traditions. But that took strength. Strength that you may or may not have. It became uncomfortable just being in that quiet place because you felt alone and as if no one cared.

Well, I am here to share the great news! God will put the right people in your life, just when you need them the most. The right people at the right moment, to let you know that you matter.

They remind you that you are a child of God, and He loves you. God will reveal to you persons that pray for you even when you didn't know. Why...because again, He loves you. You are valuable to Him. And despite your desire or intent to shy away.... you can't!!

God tells you in His word when He says...."You are the light of the world. A town built on a hill cannot be hidden".

So, when those periods of loneliness try to engulf you, remind yourself that you are not alone. That God is with you. He will never leave nor forsake us. God will place one of His walking angels in your life to affirm that you are not alone. You are a precious jewel. You cannot be hidden. So let your light shine. Don't allow your emotions or circumstances to outweigh the love that God has for you. Amen.
